Herbal Throat Spray

Soothing Immune System Support

Soothing and refreshing, MediHerb's Herbal Throat Spray is specially designed to support your immune system and promote healthy throat tissue. It is a unique combination of traditional herbs including Marshmallow root, Calendula, Echinacea, Myrrh, Sage and the essential oil of Clove.*

Use Herbal Throat Spray for natural support when your throat is dry or under stress. This pleasant-tasting formulation also freshens the breath.*

Support When You Need It

Rely on Herbal Throat Spray to soothe your throat, promote oral health and support healthy immune system function. This gently effective spray is ideal when you're run down or if you've been speaking a lot. You'll also find it is very beneficial during winter, when the air is dry.*

Convenient Size

Herbal Throat Spray fits neatly in your purse, briefcase, office drawer or in the car. Keep it with you and simply spray and swallow at the first sign of a tickle in your throat.*
